

## MEMS is HOT - Panel Discussion

### Bosch

- more than **20 years of MEMS experience**
- **#1 MEMS** sensor supplier 
- **Fastest growing manufacturer** of accelerometers for consumer electronics
- **1.3 billion MEMS** sensors delivered
- More than **900 patents** in the MEMS sensor area
- **Integrated Device Manufacturer**

# Bosch Sensortec Product Portfolio

### Acceleration Sensors

- Leading with smallest g-sensor in LGA housing
- Use case optimized products

### Pressure Sensors

- Ultra low power
- Highest precision

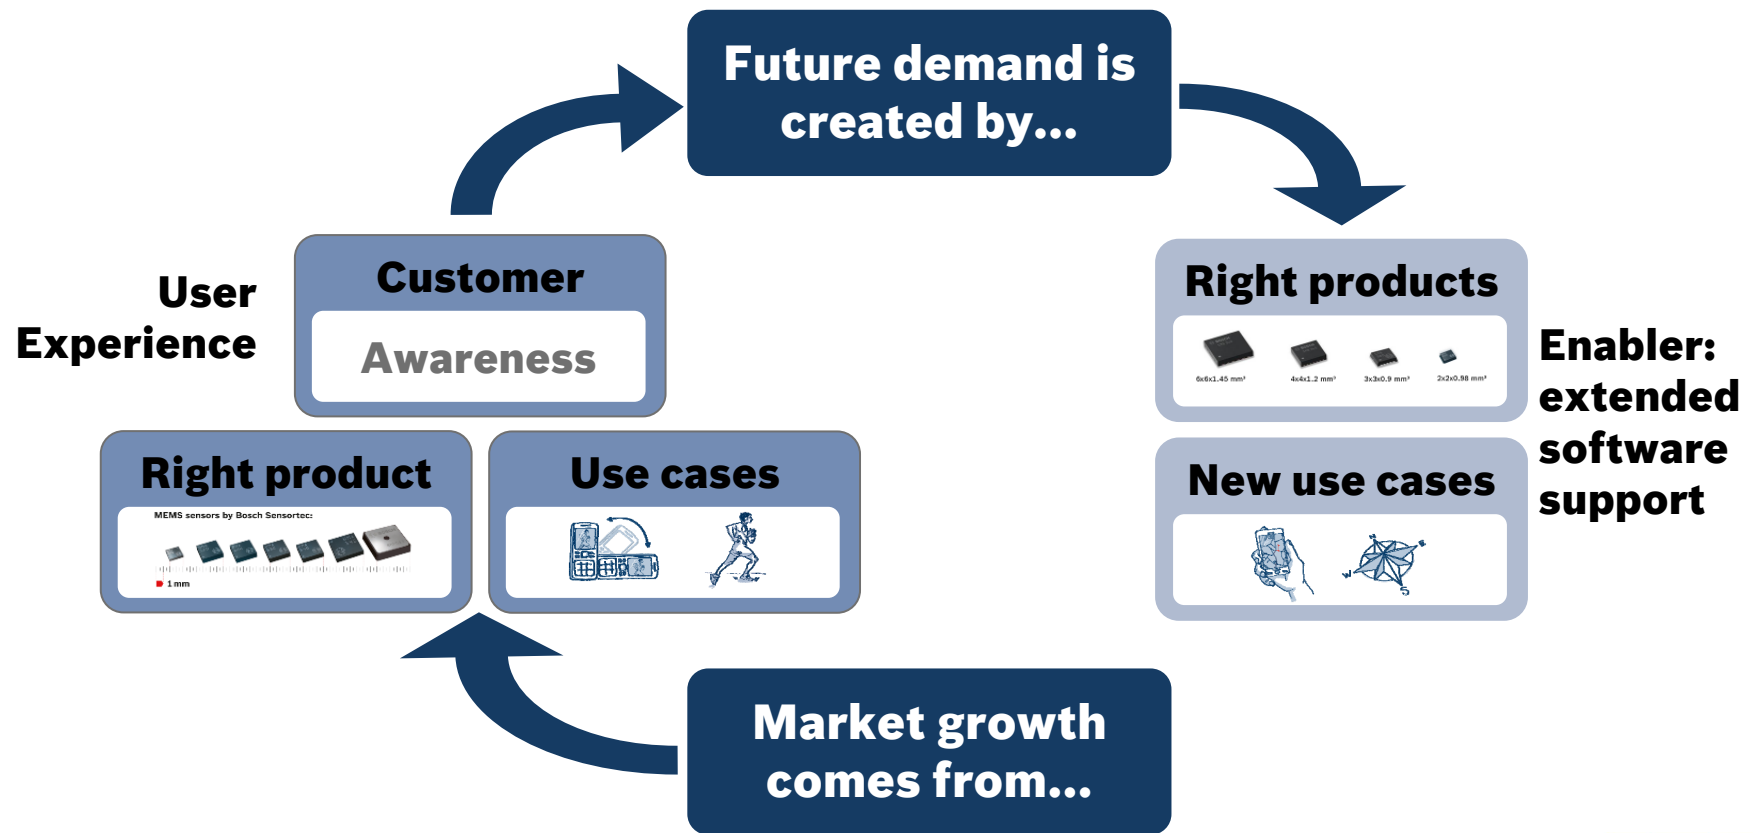

### Software and Applications

- Driver support for operating systems (e.g. Android, ...)
- Broad portfolio in software implementing use cases
